# Let's get it started!

## You need:

wooden  
craft sticks

masking tape  
(optional)

a dedicated assistant

aluminium  
tin can

glue gun

paint  
(optional)

## Step 1 : Get the tin can ready

Start by putting masking tape on the top and bottom part of the tin can.

## Step 2 : Glue the wooden sticks

Then glue the wooden sticks on the tin can using the glue gun.

### Step 3 : Start decorating your pencil can

Your pencil can is almost ready!  
you can decorate it with paint, masking tape, markers, or leave it  
as it is!

There you go !
