# Let's get into it !

You will need :

## Step 1 : Create the body of your hedgehog

Make circles on brown paper. You will need 3 circles for 1 hedgehog.

Cut them out

Cut the circles in half

Make cones out of the halves.

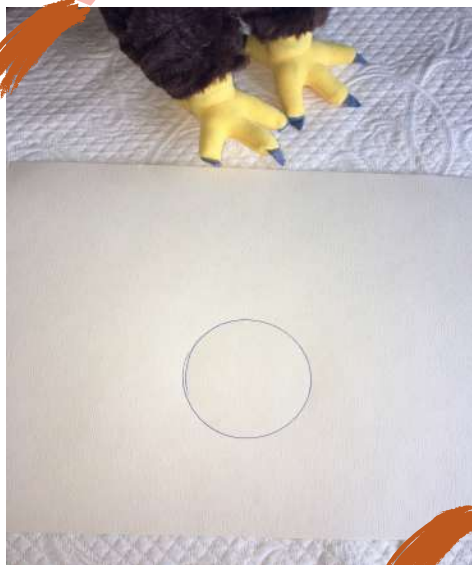

Cut strips on the cone using scissors. Curl the strips a little

Glue the cones together one into the other

## Step 2 : Create the head of your hedgehog

Make a smaller circle on the beige paper

Cut it out and cut in half

Make a cone

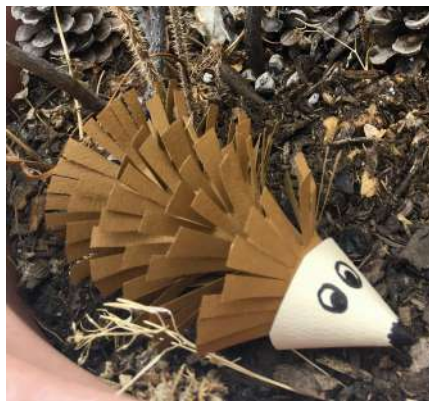

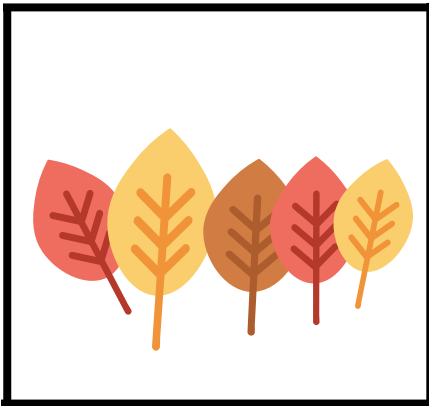

Draw on two eyes and a nose. For the eyes, you can also glue googly eyes on.

Finally, glue your face to the brown cones body.

There you go !
